In November 1993 Julie Friedeberger developed breast cancer and had a mastectomy. This powerful, inspiring book is the story of the inner journey that transformed her life, a journey that led her from terror, anger and denial, to acknowledgement and acceptance. A Visible Wound is much more than a personal story.

A Visible Wound: A Healing Journey through Breast Cancer, is a companion volume to The Healing Power of Yoga. It tells the story of Julie Friedeberger's journey through cancer in 1993, and describes how the practices and the philosophy of Yoga helped her through that difficult but transformative experience.

A Visible Wound

The V.A.C.® Therapy System is a medical device that promotes wound healing by applying negative pressure (a vacuum) to your wound. Your wound is covered by a dressing that protects the injured area. The V.A.C.® Therapy System works by bringing together your wound edges, removing blood and fluid that may contain infectious substances, and promoting new tissue growth, also called granulation.
