Preparing for Your ACS Examination in Organic Chemistry: The Official Guide (commonly called the Organic Chemistry Study Guide) This guide is the newest update to our suite of study materials. A second edition was released in early 2020 with over 240 pages and over 600 unique problems. The guide is organized similarly to the general chemistry guide with a clear separation of first-term and second-term material.

I bought the ACS book, but would like to have some kind of sample exam or anything close relating to their style of exams. I ask this because I already took the ACS General Chemistry example, and i felt the study book was completely different from the actual exam that I took. I really need to score high about the 80th percentile.
