## Administrators Solving The

Administrative assistants are often expected to fix anything that goes wrong at work, including technical difficulties with the printer, scheduling conflicts, internet connectivity problems, clogged toilets, messy break rooms, and so on. Not only are they expected to be jacks-of-all-trade, but administrative assistants often bear the brunt of the blame for whatever goes wrong—even if they aren't the cause of the problem.

~~5 Common challenges administrative assistants face (and ...)~~

Use the IDEAL problem solving model to ensure you are solving the right problem, says Lindsay Taylor At times, being an

How good, however, remains a very open question given the range and depth of problems confronting US higher education. Even though enrolment declines this autumn appear relatively modest so far, US colleges and universities have suffered more than \$120 billion in losses from the pandemic, while hopes of major bailouts are dwindling.
