So it could be that our appreciation for
fun animals stems from an ancient
need to evaluate whether these
animals were friends or foes. And it
could be that they react in just the
same way to us. Let's leave this
question open for now though, as
there's a list of animal trivia and fun
facts about animals waiting for you

30 Happy Animal Facts That Will Make You Smile | Bored Panda

It is critically endangered (there are less than 200 left, and most of these individual kakapos have names).

When Europeans brought dogs and cats over to New Zealand, these animals learned the kakapo's smell, and were able to find them with ease.

Once again an example of humans messing with nature. Poor kakapos. At least it is fun to say their ...
