Anthropology of Indian tradition (Book, 1995)  
[WorldCat.org]

The caste system in India is a system of social stratification which has pre-modern origins, was transformed by the British Raj, and is today the basis of reservation in India. It consists of two different concepts, varna and jāti, which may be regarded as different levels of analysis of this system. Varna may be translated as "class," and refers to the four social classes which existed in the Vedic society, namely Brahmins, Kshatriyas, Vaishyas and Shudras.

Government of India

Developments in anthropological theory and method are traced from the heritage of Enlightenment to the present times, with special reference to India. While firmly anchored in the local experience, the narrative of diasporic migrations presented in this book ranges widely to cover comparisons across the world and is informed by an interdisciplinary focus.
