He's a farmer, dammit, not a bookkeeper... When Stetson Miller inherits his father's farm in Idaho, he's too focused on his crops to pay attention to the financial side of things. The next thing he knows, the bank is threatening to foreclose... and the auditor who's come to examine his accounts is the sexiest thing he's ever laid eyes on. She's checking him out... in more ways than one. Jennifer Kendall doesn't mind a tough job, but the handsome Stetson is trouble of a different kind. The sparks between them fly even faster when the road washes out and Jennifer has to spend the night on the farm. But passion alone won't pay the bills. Can Jennifer find a way for Stetson to save his farm? And if she can't, will he ever forgive her?
