Client case studies – therapy at work We hope these client case studies will provide an insight into therapy and how it works. Although they have been written by us, they are based on real work with clients, although we have mixed things up a little and changed names so nobody can be identified. How CBT helped Helen – a client case study

~~Client case studies—therapy at work~~

Case studies are widely used in psychology and amongst the best known were the ones carried out by Sigmund Freud, including Anna O and Little Hans. Freud (1909a, 1909b) conducted very detailed investigations into the private lives of his patients in an attempt to both understand and help them overcome their illnesses.

~~Case Study Method in Psychology | Simply Psychology~~

Some great examples of case studies in psychology include Anna O, Phineas Gage, and Genie. In a case study, nearly every aspect of the subject's life and history is analyzed to seek patterns and causes of behavior. The hope is that learning gained from studying one case can be generalized to many others.
