In this first popular presentation of the spirituality of Blessed Basil Moreau, readers encounter a month's worth of morning and evening reflections with the key themes of Holy Cross spirituality--trust in God's providence, faith, persistence in prayer, charity, and hope in the cross. Ideal as a resource for laity committed to Holy Cross parishes, ministries, schools, colleges, and universities, "Praying from the Heart of Holy Cross Spirituality" is the perfect way to deepen appreciation of the unique charism that shapes Holy Cross work and prayer.

This book discusses the celebrated church of the Holy Cross of A?t'amar founded by King Gagik of Vaspurakan and built in the tenth century. It analyzes this church from multiple perspectives, such as the contemporary intellectual climate, biblical exegesis, historiography, royal ideology, patronage of relics, medieval architecture and art.

For the first time in more than sixty years, the Congregation of Holy Cross has produced a new prayer book designed to serve the spiritual needs of both the priests and brothers of the Congregation and the thousands of Catholics who are the recipients of the education and ministry of Holy Cross parishes and schools. The Congregation of Holy Cross presents its new Directory of Devotional Prayer, a handsomely produced pocket-size treasury of everyday prayers, popular devotions, and reflections. Printed in two colors and durably bound, this elegantly designed prayer book showcases the spiritual heritage of Holy Cross: Eucharistic devotion, daily meditation, the examination of conscience, the Way of the Cross, the rosary, litanies, and devotion to the principal patrons of the Congregation—Saint Joseph, Our Lady of Sorrows, and the Sacred Heart of Jesus. The Directory also celebrates the fundamental and distinctive elements of the Holy Cross charism: conformity to Christ, trust in Divine Providence, and hope in the Cross.

Sometime in the first quarter of the 13th century a number of works were written for anchoresses, women who lived as religious recluses in cells adjoining churches. The most influential is Ancrene Wisse (A Guide for Anchoresses), which discusses in great detail the daily life of the anchoress, both outer and inner. This work gives a detailed sense of a powerful and multi-faceted spirituality different from that of other mystics.

This definitive introduction to the life and vision of Blessed Basil Moreau is the first book to gather together the essential spiritual, pastoral, and educational writings of the nineteenth-century French priest who founded the Congregation of Holy Cross, which is the religious order that founded the University of Notre Dame in 1842. Basil Moreau: Essential Writings is an anthology of all the important published and previously unpublished writings of Basil Moreau, who was beatified in 2007 by the Catholic Church. This anthology provides generous selections from Moreau's sermons, pastoral letters, educational treatises, and spiritual reflections, which reveal a figure who was no stranger to difficulty and conflict but also a man deeply committed to a hope that can only emerge from Christ's passion, death, and resurrection.

The publication of the first edition of The Cross, Our Only Hope in 2008 established it as a foundational work of contemporary Holy Cross spirituality. This thoroughly revised edition, which features many new contributions, is a must-have for members of the Congregation of Holy Cross; its friends, lay collaborators, benefactors; and anyone interested in the spiritual tradition of the religious order. Priests and brothers of the Congregation of Holy Cross—including pastors, teachers, and administrators—offer an introduction to the rich, vibrant spirituality of the Congregation through a series of daily reflections on the themes of Holy Cross spirituality: trust in God, zeal, compassion, hope in the cross, discipleship, and education in the faith. This revised edition includes a new foreword, a new introduction by the authors, new reflections, new contributors (including more international contributors than the previous edition), and quotes from St. André Bessette, who was canonized in 2010. The ministries of the Congregation of Holy Cross include Ave Maria Press, the University of Notre Dame, the University of Portland, Stonehill College, King's College, and many other Holy Cross schools and institutions around the world.
