I will say that SC Stephens was able to convey the depth of his pain and anguish masterfully. I felt Lucas's pain and I hurt along with him. I will say that even though the subject matter of Collision Course was hard to get through at times, I was glued to my Kindle.

Collision Course is my all time favourite S.C. Stephens book. It moved me more than any other story I've read and had me living and breathing every thought and emotion that the main character had. The feelings this book evokes are so powerful and gut-wrenching that at times it was almost painful to read, yet at the same time the story line was so compelling I couldn't stop.

most importantly his incredible wife Anna. The one thing it hasn't brought him is the spotlight. Anna tells him to be patient, that his talent will win out. boyfriend, Denny, has been everything she's ever wanted: loving, tender, and endlessly devoted to her. When they head off to a new city to start their lives together, Denny at his dream job and Kiera at a top-notch university, everything seems perfect. Then an unforeseen obligation forces the happy couple apart. Feeling lonely, confused, and in need of comfort, Kiera turns to an unexpected source - a local rock star named Kellan Kyle. At first, he's purely a friend that she can lean on, but as her loneliness grows, so does their relationship. And then one night everything changes . . . and one thing's for sure - nothing will ever be the same.

The club was packed, the music was loud, and the alcohol was flowing. Jessie couldn't keep her eyes off of

the exotic man drinking by himself across the room. Kai couldn't keep his gaze from the buxom brunette laughing with her friends at the bar. Fate pulled them together, giving them a night that neither one would soon forget. But then, you know what they say about fate. While their one night of bliss was perfect, neither Jessie nor Kai could have imagined what would be in store for them the next time they met, when fate again crossed their paths. As they both soon discovered, sometimes life places obstacles in the way that are insurmountable...even for soul mates.

Mallory is grateful for Michael's help but desperate to return home to let her family know she's alive. Unfortunately, neither of them can leave Michael's secluded cabin until spring. Mallory's stuck with a stranger for months. As Mallory recovers, a deep bond begins to form between the pair. Mallory is convinced that fate brought them together, but

Michael is buried in his past, unable to move forward. Undaunted, Mallory tends to Michael's heart as tenderly as he cared for her wounds--but will her love be enough to heal him?

With two kids, an amazing husband, and an incredible family, Emma's life was everything she'd ever hoped it would be. But there was a downside to having everything you've ever wanted, a downside that Teren and Emma couldn't possibly have been prepared for. When you have everything you want...then you also have everything to lose.

From the #1 New York Times bestselling author of the Thoughtless series comes a swoon-worthy, enemies-to-lovers romance set in the world of motocross. Mackenzie Cox

has a lot to prove. Daughter of a racing legend, she is eager to show the world that she has inherited her father's talent in the male-dominated sport of professional motorcycle racing. The last thing Kenzie needs is to be antagonized by her rival team's newest rider, Hayden Hayes. Plucked from the world of illegal street racing, Hayden immediately gets under Kenzie's skin. His insinuations that Kenzie is a spoiled princess who was handed her career fuels her desire to win, and much to her surprise, Kenzie soon learns she performs better when she's racing against Hayden. As Kenzie and Hayden push each other on the track, the electric energy between them off the track shifts into an intense--and strictly forbidden--attraction. The only rule between their two ultra-competitive

teams is zero contact. Kenzie always does her best to play by the rules, but when her team slips into a financial crisis, she has no choice but to turn to Hayden for help. The tension simmers during their secret, late-night rendezvous, but Kenzie has too much to lose to give in to her desires. Especially when she begins to doubt that Hayden has completely left his street life behind... LOOK FOR THE NEXT BOOK IN THE SERIES: DANGEROUS RUSH.

Emma is content. She's got a promising career in front of her, great friends, and a pretty amazing family. But her love life has been a little lacking lately. That's when fate steps in, and she crashes into a tall, dark and handsome man--Teren Adams. He's single, successful, an

extraordinary gentleman, but he's also secretive. And some of his secrets are more unusual than most people's. For instance, he's a "little bit" vampire. He has fangs, incredible hearing, unbelievable speed, and, on occasion, he enjoys drinking a steaming cup of blood. But he's also very much alive. He has a heartbeat, loves steak as well as cappuccinos, and has no problems walking around during the day. Since Teren acts human the majority of the time, the pros far outweigh the cons in Emma's book.

Feeling the rush comes with a price... Mackenzie Cox has lost everything—except Hayden Hayes. With Kenzie's racing career over, and her family no longer speaking to her, Hayden has been her rock, as she tries to pick up

the pieces of what was once her life. But when Hayden's racing team hires his beautiful ex-girlfriend, Felicia, to be their new hotshot rider, Kenzie and Hayden's seemingly solid relationship begins to crack. Kenzie can only watch from the sidelines, as Felicia lives the life she was forced to leave behind, and as tension begins to build between Hayden and Kenzie, she wonders if Hayden isn't the man she once knew.
