THE Met Office has two weather warnings in place for today ahead of heavy rain. Torrential showers and gales are set to batter Britain as the kick off to a chilly weekend. One amber weather warning...

When struggling waitress Melody Dylan gives a handsome, lonely stranger a simple gift she has no clue her life is about to take a drastic turn. The stranger ends up being Clay Powers, a famous UFC heavyweight fighter. Clay's large build and dangerous fists have always intimidated. People in his hometown keep their distance and Clay is fine with that. Everything changes when a new waitress at the local diner buys him a piece of pie on Thanksgiving. Touched by the gesture when it's obvious she can barely afford to survive, her warm smile and lush body churn up powerful feelings that leave Clay wanting more from her than pie. Melody is running from her past and the small, country town of Garnet is the perfect hiding place. With an ex-husband after her and scars from her abusive marriage etched deep, the last thing she expects is to fall for a man who makes a living with his fists, but she can't resist Clay or the tender connection they share. Finding love in the most unlikely of places, the passion is undeniable, but Clay and Melody know their haunted pasts and unpredictable futures leave the odds stacked against them.

Heavyweight UFC fighter, Romeo Wellings comes from the hard streets of New York where his family ties to the mafia cause him nothing but pain. His life takes a surprising detour when he crosses paths with the twin sister of his long-time enemy. After a steamy, one-night stand, he faces the fight of his life, but it's not in the cage. The secret relationship that blooms between Romeo and his real life Juliet has him battling his family and a dark past rather than let her go. The only lawyer in her hometown of Garnet, Jules Conner is also a volunteer Sheriff's deputy and co-owner of a successful MMA training center. Strong and dependable, Jules is always there for those who need her. Until one forbidden night in Las Vegas with Romeo leaves her feeling so alive she can't stop reaching out to the sexy, bad boy of the UFC, even knowing the forbidden love affair could jeopardize everything. As the tide rises against them and the people they love work at keeping them apart, Romeo and Jules hold onto a dream for a better life together and vow to go down fighting rather than accept a tragic ending.

They are the lost boys. Sons of mafia mistresses expected to keep their fathers' sins in the shadows. The lucky ones are forgotten. Unfortunately for Valentino "Tino" Moretti, his brother Nova was too smart to be forgotten, and too valuable to risk when he resists a life of crime. So they punished Tino instead. Forced into the cruel world of the Sicilian Mafia at twelve, Tino was broken before he was old enough to know the man he was supposed to be. Now he's what the mafia made him. The enforcer. A trained killer forbidden to love, but he did anyway. He's loved Brianna all along. Raw and beautiful, their romance was all consuming and far too dangerous. They were ripped apart a long time ago. It's not until the borgata puts out a hit on her that Brianna falls back into Tino's arms, churning up their dark past and unraveling all the Moretti brothers' closely guarded secrets. This isn't the end of the story. It's only the beginning, and it is brutal. There's a reason enforcers are considered too deadly to love. "We have to be better than them. Stronger. Faster. Smarter. Lost boys have to fly." Carlo Moretti, original lost boy

Emily McCarthy is living in fear of a dark and dangerous past. A gifted mathematician, she is little more than a hollow, broken shell, trying desperately to make ends meet long enough to finish her degree. Through an unlikely friendship with the aging, cantankerous owner of an old boxing gym, Em is thrown into the path of the most dangerous man that she has ever met. Cormac "the Hurricane" O'Connell is cut, tattooed and dangerous. He is a lethal weapon with no safety and everyone is waiting for the misfire. He's never been knocked out before, but when he meets Em he falls, HARD. Unlike any other girl he's ever met, she doesn't want anything from him. Just being around her makes him want to be a better person. They are polar opposites who were never meant to find each other, but some things are just worth the fight.

Marcos Rivera is a fighter. A gang member. Someone who has seen the dark side of humankind and survived. He has lost family and gained enemies. He has stolen cars and destroyed hearts, stripping one for money and the other for pleasure. His past is haunted and his future is bleak. Until her. Katie Foster is a high school history teacher. Smart, strong, and sexy. She is a woman Marcos shouldn't want. Shouldn't touch. Shouldn't love. He met her in Garnet, a backwards, hick town that's the last place in the world he wants to be, but he finds himself going back, all for a taste of the forbidden. Katie represents all that is good in the world, and Marcos knows he's nothing but trouble for her perfect life. He fights and he screws. He commits crimes and he breaks the rules. He will never change and he will never escape his gang lifestyle. Or can he? What happens when two different people from two very different walks of

life risk it all by giving into the passion that threatens to consume both of them? Can a woman who only knows how to play it safe give her heart to a man who lives hard and loves harder? Can she survive The Viper?

"Costa Azul" is about a place, with the same name, that is so bizarre, so unreal, and so wonderful that you will be calling your travel agent to book reservations to this fictitious exotic land. Complete with rival universities, folk traditions, and a cast of nutty, loveable characters, "Costa Azul" is impossible to resist. Try it and you will see.

To Chuito the apartment was a self-imposed prison for a lifetime of sins. To Alaine, the girl next door, it was salvation from her overbearing, religious father. He was a devil. She was an angel. Two people who should've never met, let alone become friends, but it's not until they give in to the dangerous passion that's been simmering under the surface for five years that things go to hell. On the outside, Chuito "The Slayer" Garcia is on top of the world. He's successful. He's wealthy. He's a champion MMA fighter surrounded by friends who support him, but they don't know what he was before he came to Garnet. A gangster. A thief. An addict. A murderer. Now his past is churning up demons he can't ignore. Chuito knows he needs to go back to Miami to end it, but there's something holding him back, a single temptation he can't resist before leaving. Alaine. She's the one drug he can't give up...even if it destroys them both. "To me you're coke. Fine. Smooth. Perfectly white. Very bad for me, but so sexy I don't care. It's worth going down for." --Chuito Garcia
