Alphabet chart. by Dr. Rangan Chatterjee / December 13, 2018. Eating a diverse diet rich in fibre is one of the single best things we can do to live a more stress-free life. A diverse diet means a diverse and resilient microbiome. If we increase the variety of vegetables, low-glycaemic fruits (such as blueberries and cherries) and fibre-rich foods such as beans and legumes in our diet, we're increasing the amount of fibre we're eating.
