Euro pro toaster oven manual
to1612 by Susan - Issuu
The Euro-Pro TO21 holds a
lot; make toast crunchy and
evenly toasted front and
back; can hold a small size
pizza. I use my toaster oven
to pre-heat left-overs, bake
or cook. Although, I've
never washed the slide out
tray on the bottom; I spray
oven cleaner and stains are
gone without major
scrubbing.

The only thing wrong with

Download Free Euro Pro Toaster Oven Manual

this little unit is the OWNER'S MANUAL. It tells almost NOTHING! I bought this on sale at Sears for \$29.99 (normally \$44.95). I did a little research before I bought it.

Euro-Pro T01612 Extra-Large-Capacity 6-Slice Toaster Oven

The Euro-pro T01612 has a larger capacity, but lacks the convection oven. I baked a pizza in the Euro-pro to compare it with what I was getting with the Cuisinart. Despite the lack of a convection oven, the Euro-pro cooked the pizza in about the same time as the Cuisinart convection.

Further, the quality of
baking appears similar.
