BE CAREFUL A masked robber, a gunshot, an endless nightmare left in its wake. Wynter Moore was just four years-old when she witnessed the murder of her mother. For twenty-five years she's tried to blunt the trauma with ambition. Yet each year, she shuts down her popular Iowa restaurant to return to her small hometown of Pike, Wisconsin, to grieve. Only this time, her visit will be marked by new danger and shocking discoveries about the past--and about her mother. WHAT YOU DIG FOR Why kill her? That's what scrawled on the picture Pike's recently deceased sheriff left behind for Wynter. Pulled from surveillance tape, it shows the fatal hold-up--and raises unnerving questions. Soon, Wynter is opening a Pandora's box of dark revelations and suspects. When frightening incidents and threats start coming, it's clear that Wynter is a target herself. Enemies seem to abound--except for one man... YOU JUST MIGHT GET KILLED Game warden Noah Hunter has tried to convince himself that Wynter is just a friend ever since they met in grief counseling as teenagers. But now that she's in danger, that denial is over. Traveling to her side, he helps Wynter retrace the treacherous steps of her complex mother's life--before she loses her own. Because someone wants--needs--Wynter gone, forever.

He'll protect her with his last breath...Until she becomes his next target.Leisa's ambitions used to be simple. Guard the princess. Hide her magic. Wait for her family to return.But all of that changes when her king demands that she use her unique abilities to spy on the rival kingdom of Garimore.Alone, far from home, and living a lie that grows more perilous by the day, Leisa's task is complicated by her most dangerous enemy yet--the masked assassin known only as the Raven.Everyone in the Five Thrones knows to fear him, but the Raven is not what Leisa expected. As silent as he is lethal, he provokes her curiosity as much as her fear, and hides secrets she's determined to learn.When her already precarious mission takes a deadly turn, Leisa must evade the Raven himself if she is to succeed. It's never been done before, but Leisa is nothing if not stubborn. And if she doesn't become the first to escape his blade, her entire kingdom will pay the price--in blood.If you love adventure, mystery, and slow-burn enemies-to-lovers romance, discover the Legends of Abreia, a new romantic fantasy series for fans of Sylvia Mercedes, Miranda Honfleur and Shari L. “ A chilling ghost story. . . . A decades long, globe-spanning saga of adventure, betrayal, love, and fate [about] one of Welcome to Night Vale ’ s most enigmatic and terrifying characters. . . How these stories converge and how the narrator becomes immortal are merciless in their ingenuity and immensely satisfying. . . . A funny, terrifying, and unpredictable slice of Night Vale's macabre history. ” — Kirkus Reviews (starred review) From the New York Times bestselling authors of Welcome to Night Vale and It Devours! and the creators of the hit podcast, comes a haunting novel set in the world of Night Vale and beyond. In the town of Night Vale, there ’ s a faceless old woman who secretly lives in everyone ’ s home, but no one knows how she got there or where she came from...until now. Told in a series of eerie flashbacks, the story of The Faceless Old Woman goes back centuries to reveal an initially blissful and then tragic childhood on a Mediterranean Estate in the early nineteenth century, her rise in the criminal underworld of Europe, a nautical adventure with a mysterious organization of smugglers, her plot for revenge on the ones who betrayed her, and ultimately her death and its aftermath, as her spirit travels the world for decades until settling in modern-day Night Vale. Interspersed throughout is a present-day story in Night Vale, as The Faceless Old Woman guides, haunts, and sabotages a man named Craig. In the end, her current day dealings with Craig and her swashbuckling history in nineteenth century Europe will come together in the most unexpected and horrifying way. Part The Haunting of Hill House, part The Count of Monte Cristo, The Faceless Old Woman Who Lives in Your Home is a lively tale of loyalty, betrayal, and revenge, that will have you looking around the corners of your own home...just in case.

She's twelve. He's dead. But together they're going to save the world. Hopefully. The third book in the bestselling Skulduggery Pleasant series. You've seen it all before: some bad guy wants to bring about the end of the world. A few people get hurt, sure, but everything's all right in the end. Well... not this time.

No one recognizes Chase at school one day. Who did this to him, and why?

The contributions to this book explore a phenomenon that appears to be a contradiction in itself – we, the users of computers, can be tracked in digital space for all eternity. Although, on the one hand, one wants to be noticed and noticeable, on the other hand one does not necessarily want to be recognized at the first instance, being prey to an unfathomable public, or – even less so – to lose face. The book documents artistic and other strategies that point out options for appearing in the infinite book of faces whilst nevertheless avoiding being included in any records. The desire not to become a mere object of facial sell-out does not just remain an aesthetic endeavor. The contributions also contain combative and sarcastic statements against a digital dynamic that has already penetrated our everyday lives.

The first three novels in Henning Manning's Kurt Wallander series are now available in a trade paperback set. Mystery fans across America are discovering the international bestseller Henning Mankell and his character Kurt Wallander, the veteran Swedish police detective. **FACELESS KILLERS** First in the Kurt Wallander series. It was a senselessly violent crime: on a cold night in a remote Swedish farmhouse an elderly farmer is bludgeoned to death, and his wife is left to die with a noose around her neck. And as if this didn't present enough problems for the Ystad police Inspector Kurt Wallander, the dying woman's last word is foreign, leaving the police the one tangible clue they have-and in the process, the match that could inflame Sweden's already smoldering anti-immigrant sentiments. **THE DOGS OF RIGA** Second in the Kurt Wallander series. On the Swedish coastline, two bodies, victims of grisly torture and cold execution, are discovered in a life raft. With no witnesses, no motives, and no crime scene, Detective Kurt Wallander is frustrated and uncertain he has the ability to solve a case as mysterious as it is heinous. But after the victims are traced to the Baltic state of Latvia, a country gripped by the upheaval of Soviet disintegration, Major Liepa of the Riga police takes over the investigation. Thinking his work done, Wallander slips into routine once more, until suddenly, he is called to Riga and plunged into an alien world where shadows are everywhere, everything is watched, and old regimes will do anything to stay alive. **THE WHITE LIONESSE** Third in the Kurt Wallander series. The execution-style murder of a Swedish housewife looks like a simple case even though there is no obvious suspect. But then Wallander learns of a determined stalker, and soon enough, the cops catch up with him. But when his alibi turns out to be airtight, they realize that what seemed a simple crime of passion is actually far more complex--and dangerous. The search for the truth behind the killing eventually uncovers an assassination plot, and Wallander soon finds himself in a tangle with both the secret police and a ruthless foreign agent. Combining compelling insights into the sinister side of modern life with a riveting tale of international intrigue, *The White Lioness* keeps you on the knife-edge of suspense.
