Book Three follows on where the two previous volumes of Frank Frazetta's art books left off. After a nice introduction by Betty Ballantine, it's straight into the art. The main difference from this volume to the previous two is that Book Three features a lot more from Frank's doodlebook, and there are quite a few rough sketches included here as well as the colour plates of his iconic art.

Frank Frazetta Book Three. By Mark Damsten on Mar 04, 2015. Probably a few less color plates than Vol. 1 and Vol. 2 and a few more pages of his black and white drawings, which is why I go four stars instead of five on this edition. And the striking colors of his paintings is what I personally like best about Frank Frazetta.
