A funeral service such as this is a service offered out of love and respect for the one who has departed, but it is also offered out of love and respect for the ones left behind. So, once again, allow me to say thank you. Much like God, death is no respecter of persons. Death comes to saint and sinner, young and old, high and low.

The biggest barrier to faith is life itself. Divorce. Cancer. Infertility. Death. There are times in our lives in which God seems very far away. We don't understand His silence. We only feel the intensity of our pain and the echoing question of 'why?' The Bible declares that God is good, but can we still believe this when our lives are falling apart? In Keep Believing, Dr. Pritchard affirms what the Bible declares: that God is good and His mercy endures forever. This is true regardless of our moment-by-moment experience. God has provided comfort in our times of struggle and healing in our times of hurt through the balm of His Word. You believed in the light of day; will you still believe at midnight? Search the Scriptures with Dr. Pritchard for words of encouragement and hope. Put your confidence in the God who sorrowfully watched His Son suffer at Calvary for your benefit. Know that the same loving heavenly Father has everything completely under control. He is with you and longs to comfort you as you struggle through your hard times. Take a tell-tale look at your devotion to the Lord and His never-ending love and commitment to you in Keep Believing. You served God in the sunshine; will you now serve him in the shadows?

With the sensitivity born of time and experience, Charles Hoffacker presents an unusually warm and caring approach to preaching, one which goes to the very heart for the Good News of Jesus Christ.

Father Bill Bausch's homilies are always outstanding. He brings a deep pastoral presence and much thought and preparation to each of them. This has never been more evident than here in this book of funeral homilies. Each is crafted to reflect the person remembered as well as the message of Scripture. Each reflects the communal nature of a Catholic funeral and is sensitive to the status of the mourners: non-Catholics, lapsed Catholics, faithful parishioners, relatives, and friends. Father Bill's words are faith-filled and compassionate, comforting and challenging, communal and personal. He regards the funeral liturgy as one of the greatest teachable moments the Church offers and here this is very evident. Highly recommended for all priests, deacons, and preachers. Book jacket.
