Heidilicious is the exception. The dust jacket is thick and double folded at the edges, providing sturdy protection to the hot pink cloth bound boards of the book. If the dust jacket is removed, a smooth-lined silhouette of the female form is embossed in white on the front. The contrast between the white figure and the pink cloth is striking. The binding appears tight and double-stitched and ...

One face defines our era--that of supermodel Heidi Klum. She combines quirky irreverence and wholesomeness in equal measure. Rankin, one of Heidi's favorite photographers, captures all her subtle variations of mood. Through their unique professional and personal friendship, Rankin can offer us an insight into both Heidi's public and private personas.

In Heidilicious, Heidi Klum, a supermodel born in German that started as a runway model for Victoria's Secret and a cover model for Sports Illustrated, shows to Rankin, one of her favorite photographers, her many moods and personas. Also, 'Heidilicious' has an insight to this fashion icon, giving a variety of answers to the question "What is Heidi really like?".

Photographer Rankin presents a publication of nude photography featuring supermodel Heidi Klum. Compelling, erotic and personal, Heidi Klum by Rankin, offers a chance to see behind the scenes and under the clothes of model, designer, and personality, Heidi Klum. Originally conceived as a purely personal project, this publication brings together iconic images and never before seen shots to create the most revealing portrait of international superstar Heidi Klum to date. With photographs taken over a period of ten years, this second solo book project between Rankin and Heidi, explores femininity, sexuality, confidence and strength through the intimacy and humour that has characterised their working relationship. With an unparalleled rapport between photographer and subject, Rankin s images allow Heidi to strip bare and uncover the fun and the vulnerability that makes her image so recognisable. Shot on location and within the studio, these nudes follow on from Rankin s recent release #NSFW (teNeues, 2016) to cement his formidable reputation as one of the world s leading photographers. A visually arresting contemporary take on boudoir photography, this hardback coffee table book is due for release Valentines Day, 2017."

A tribute to one of the world's top supermodels that brings together the works of an impressive array of contemporary fashion photographers.

Photographer Rankin and Paula Thomas of edgy clothing label Thomas Wylde knew they had found their perfect triumvirate in Rosie Huntington-Whitely, the hottest new supermodel who is being lauded as the new Kate Moss. Having already worked for Burberry, DKNY and Ralph Lauren, she epitomises the supersexy and empowered spirit of Thomas Wylde. Her innate urbanity makes her their perfect muse and Rankin's large-scale photographic publication devoted to her is set to catapult her into the next phase of her already stellar career as the supermodel of the era.

The trend-setting model draws on her life on and off the runway to provide helpful hints on how to get what one wants out of life in such areas as beauty, fashion, relationships, careers, and more, sharing her eight essential rules, which range from "You Have to Want It, Baby" and "Sell It" to "Have a Blast While It Lasts." Reprint. 30,000 first printing.

Rankin Male Nudes draws its subjects from an anonymous ad for models placed in the classifieds column of London's Time Out magazine. The subjects were then chosen for their ideas about how they wanted to be portrayed rather than how they looked, making this book a true collaboration between photographer and subject. These men are literally revealing themselves, and the results are funny, sexy, tender, theatrical, and audacious. While naked women appear in advertisements, films, and newspapers with almost relentless frequency, men do not. Rankin Male Nudes asks why this is, aiming to raise the profile of the male form in the mainstream, and explore the attitudes that inform its presentation and reception.
