My Memories of Johnny Carson, The Tonight Show, and 46 Years of Friendship might be a good book for you. It's hard to believe Johnny Carson signed off almost 28 years ago, and he passed away in 2005. Ed McMahon himself died in 2009, but this collection of McMahon's memories brings back The Tonight Show's glory days, or I should say, nights.

Here's Johnny is like sitting with Ed and Johnny over lunch: The last time I saw Johnny, about a year before he died, we had chicken, a couple of glasses of red wine, and then we just sat there and reminisced, going back and forth the way we did on the show. We talked about our kids, and our careers and the state of Am

Here's Johnny!: My Memories of Johnny Carson, The Tonight ...

My heart breaks to think that I do not have to wait until the year 2100 to write my memories of Johnny Carson. At a few minutes after seven o'clock on the morning of January 23, 2005, the telephone rang in my Beverly Hills house. My wife, Pam, answered it and her hand fell to her heart.

our kids, and our careers and the state of America, just two lucky guys who loved each other and the good luck of our careers. Ed McMahon is the only person who was with Johnny Carson, even before The Tonight Show, when they both first appeared on Who Do You Trust. Now, with Johnny's blessing before he died, McMahon can finally share all the stories that only he knows. From the sofa at Johnny's right, to backstage, to their personal relationship - McMahon will provide a real view of the man who was so careful to only show one side of himself to the public. Brilliant in front of the camera, but shy in person, Carson seldom gave interviews. Only McMahon can tell the stories and provide the insights into the personality that made Johnny Carson more of a friend we invited into our home than a television star. This entertaining tribute will feature over 200 pictures, many never before published, from both McMahon's and Carson's private archives.

Based on interviews with Johnny Carson and more than 50 major celebrities, this book provides a behind-the-scenes look at the longest-running late-night television show of all time and at the man who made it happen. 16-page color insert.

A candid, unauthorized portrait of Johnny Carson draws on the observations of ex-wives, paramours, colleagues, family, and friends to provide a close-up study of America's most famous talk-show host.

A collection of celebrity vignettes and anecdotes by the long-time Tonight Show staff member features stories about such individuals as Frank Sinatra, Bill Cosby, and Ray Charles, in a personal account that also includes the author's observations about Johnny Carson and Ed McMahon. Original.

"A close look at how show business power corrupts . . . The dishiest read of the year." — Janet Maslin, "Ten Favorite Books of the Year," New York Times "Here's Johnny!" Probably everyone in America knows the phrase, whether they watched every episode of The Tonight Show or none because they had to go to bed early on school nights. From 1962 to 1992, Johnny Carson and his Tonight Show dominated the American consciousness. Henry Bushkin was Carson's best friend and lawyer during that period, and his book is a tautly rendered and remarkably nuanced portrait of Carson, revealing not only how he truly was, but why. Bushkin explains why Carson, a voracious (and very talented) womanizer, felt he always had to be married; why he couldn't visit his son in the hospital and wouldn't attend his mother's funeral; and much more. Johnny Carson is by turns shocking, poignant, and uproarious — written with a novelist's eye for detail, a screenwriter's ear for dialogue, and a knack for comic timing that Carson himself would relish. "A fascinating book about a complex man." — Pittsburgh Post-Gazette "Like The Tonight Show, the book has many a merry moment . . . [Johnny Carson] was also one of a kind, and is missed. This book brings a bit of him back." — St. Louis Post-Dispatch A People magazine Top Ten Book of the Year

A humorous, anecdote-filled, behind-the-scenes look at the life of a television icon.

The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo's stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. Johnny Got His Gun is an undisputed

classic of antiwar literature that's as timely as ever. "A terrifying book, of an extraordinary emotional intensity."--The Washington Post "Powerful. . . an eye-opener." --Michael Moore "Mr. Trumbo sets this story down almost without pause or punctuation and with a fury amounting to eloquence."--The New York Times "A book that can never be forgotten by anyone who reads it."--Saturday Review

When Johnny Cash died in September 2003, the world mourned the loss of the greatest country music star of all time. *I Walked the Line* is the life story of Vivian Cash, Johnny's first wife and the mother of his four daughters. It is a tale of long-kept secrets, lies revealed, betrayal and, at last, the truth. Johnny and Vivian were married for nearly fourteen years. These years spanned Johnny's military service in Germany, his earliest musical inclinations, their struggling newlywed years, Johnny's first record deal with Sun Records (alongside Elvis Presley), his astounding rise to stardom, and his well-known battles with pills and the law. Vivian decided that, near the end of her life and with backing from Johnny, she should tell the whole story, even the parts at odds with the iconic Cash family image such as Johnny's drug problems; Vivian's confrontation with June Carter about her affair with Johnny and, most sensationally, the Cash family secret of June's lifelong addiction to drugs and the events leading up to her death. Also revealed are unpublished love letters between the couple, family photographs and artefacts. *I Walked the Line* is a powerful memoir of joy and happiness, injustice and triumph and is an essential read for all Cash fans.

An internationally popular comedian describes his youth as a disadvantaged Jewish boy from Queens, the obstacles he overcame in order to achieve success, and his four-decade stage and screen career. Reprint. 50,000 first printing.

This classic New York Times bestseller is an illuminating portrait of JFK—from his thrilling rise to his tragic fall—by two of the men who knew him best. As a politician, John Fitzgerald Kennedy crafted a persona that fascinated and inspired millions—and left an outsize legacy in the wake of his murder on November 22, 1963. But only a select few were privy to the complicated man behind the Camelot image. Two such confidants were Kenneth P. O'Donnell, Kennedy's top political aide, and David F. Powers, a special assistant in the White House. They were among the president's closest friends, part of an exclusive inner circle that came to be known as the "Irish Mafia." In *Johnny, We Hardly Knew Ye*, O'Donnell and Powers share memories of Kennedy, his extraordinary political career, and his iconic family—memories that could come only from intimate access to the man himself. As they recount the full scope of Kennedy's journey—from his charismatic first campaign for Congress to his rapid rise to national standing, culminating on that haunting day in Dallas—O'Donnell and Powers lay bare the inner workings of a leader who is cherished and mourned to this day, in a memoir that spent over five months on the New York Times bestseller list.
