MORE THAN FORTY-FIVE YEARS OF INTENSIVE STUDY and thousands of experiments with people from all walks of life have gone into the creation of what I call Perfect Living. And what is Perfect Living? Perfect Living is a state of absolute self-togetherness, a union of the conscious and subconscious selves for the ultimate good and benefit of your whole person. Though this union of an individual's two selves has been much written and talked about, little has been accomplished to bring it down to a tangible level. In my own mind-science studies I concentrated on discovering a practical method of uniting the conscious mind and the subconscious, and found a technique through which such a union can be achieved. My technique calls for four easily adopted attitudes and the use of switchwords, a means by which the conscious mind can "talk to" and direct the thought patterns of the subconscious. Through these switchwords the conscious person gains the cooperation of his subconscious self, creating an inner harmony that brings immediate results. For example, how often is your day spoiled by a persistent, nagging pain or headache? Aspirin may bring temporary relief, but it doesn't get to the cause, and the pain returns. Wouldn't it be wonderful to be able to utter a single word which would instantly cause all pain to vanish? There is such a word, and Chapter 9 of this book explains in detail how you can make it work for you. Or have you ever lost or misplaced some important or valuable possessions? The more desperately you search for the object, the more it seems to elude you. But with one of the magic switchwords you relax and let your Inner Self bring you to the thing you are searching for. Chapter 8 covers the details on how you can turn on your own finder machinery. These are only two small examples of what Perfect Living and its switchwords can do for you. With Perfect Living you can do anything. You can: 1. Conquer all your fears. 2. Learn to relax. 3. Keep yourself forever young. 4. Overcome despair and "blue" moods. 5. Begin to know yourself. 6. Get along better with other people. 7. Set goals and achieve them. 8. Gain money and new prosperity. 9. Free yourself of bad habits. 10. Achieve glowing health and freedom from pain. 11. Release your hidden abilities. 12. Be a permanently happy person, invulnerable to any upset or setback. But the benefits of Perfect Living are endless and the book itself explains them all to you. Why not put this modern miracle to work now? Make Perfect Living a part of your life!

Psychologically incisive and impeccably crafted, Agamemnon's Daughter tells the crushing story of passion shattered by a heartless regime. Once again, Kadare denounces with rare force the machinery of oppression, drawing us back to the ancient roots of Western civilization and tyranny. This collection also showcases two masterful stories: "The Blinding Order," a parable about the uses of terror in the Ottoman Empire, and "The Great Wall," a chilling duet between a Chinese official and a soldier in the invading army of the great conqueror, Tamerlane.

On the autobahn in Vienna a taxi leaves the carriageway and strikes the crash barrier, flinging its male and female passengers out of its back doors as it spins through the air. The driver cannot explain why he lost control; only saying that the mysterious couple in the back seat seemed to be about to kiss... Set against the tumultuous backdrop and aftermath of the war in the Balkans, The Accidentintimately documents an affair between two people caught in each other's webs. The investigation into their deaths uncovers a mutually destructive obsession that mirrors the conflicts of the region. Somewhere between vivid hallucination and cold reality, Ismail Kadare's new novel is a bold departure and an intense exploration of the contours of a union that moves inexorably towards its own demise.

The Bektashi dervish order is a Sufi Alevite sect found in Anatolia and the Balkans with a strong presence in Albania. In this, his final book, Robert Elsie analyses the Albanian Bektashi and considers their role in the country's history and society. Although much has been written on the Bektashi in Turkey, little has appeared on the Albanian branch of the sect. Robert Elsie considers the history and culture of the Bektashi, analyses writings on the order by early travellers to the region such as Margaret Hasluck and Sir Arthur Evans and provides a comprehensive list of tekkes (convents) and tyrbes (shrines) in Albania and neighbouring countries. Finally he presents a catalogue of notable Albanian Bektashi figures in history and legend. This book provides a complete reference guide to the Bektashi in Albania which will be essential reading for scholars of the Balkans, Islamic sects and Albanian history and culture.
