**Jackaby (Jackaby, #1) by William Ritter**

Thank you, William Ritter! Jackaby is wonderfully bizarre, everything I want in a scatter brained but incredibly intelligent detective. There is a definite Sherlock Holmes vibe but it works really well and I love how his investigations are of the supernatural, it's more like reading a fairy tale than a detective story.

William Ritter's debut novel, Jackaby, is a lot of fun. It's an historical urban fantasy and, yes there is a serial killer, but there is also a lot of quirk in this story. Jackaby, especially, is incredibly funny in a Sherlock Holmesian kind of way. In other words, he is 100% serious about all the weird things he says and does. Abigail is plucky and loveable. I would really like to read about ...

"Sherlock Holmes crossed with Buffy the Vampire Slayer." —Chicago Tribune Newly arrived in New Fiddleham, New England, 1892, and in need of a job, Abigail Rook meets R. F. Jackaby, an investigator of the unexplained with a keen eye for the extraordinary—including the ability to see supernatural beings. Abigail has a gift for noticing ordinary but important details, which makes her perfect for the position of Jackaby's assistant. On her first day, Abigail finds herself in the midst of a thrilling case: A serial killer is on the loose. The police are convinced it's an ordinary villain, but Jackaby is certain the foul deeds are the work of the kind of creature whose very existence the local authorities—with the exception of a handsome young detective named Charlie Cane—seem adamant to deny. "The rich world of this debut demands sequels." —Kirkus Reviews, starred review "We honestly couldn't put it down." —Nerdst.com "Toss together an alternate 19th-century New England city, a strong tradition of Sherlockian pastiche, and one seriously ugly hat, and this lighthearted and assured debut emerges, all action and quirk." —Publishers Weekly • A Top Ten Fall '14 Kids' Indie Next Pick • A 2014 Kirkus Reviews Best Book for Young Adults • A 2015 YALSA Top Ten Best Fiction for Young Adults Title • A 2015 Pacific Northwest Book Award Winner • A 2015–2016 Georgia Peach Award Nominee • A Junior Library Guild Selection

"I've found very little about private detective R. F. Jackaby to be standard in the time I've known him. Working as his assistant tends to call for a somewhat flexible relationship with reality . . ." In 1892, New Fiddleham, New England, things are never quite what they seem, especially when Abigail Rook and her eccentric employer, R. F. Jackaby, are called upon to investigate the supernatural. First, members of a particularly vicious species of shape-shifters disguise themselves as a litter of kittens. A day later, their owner is found murdered, with a single mysterious puncture wound to her neck. Then, in nearby Gad's Valley, dinosaur bones from a recent dig go missing, and an unidentifiable beast attacks animals and people, leaving their mangled bodies behind. Policeman Charlie Cane, exiled from New Fiddleham to the valley, calls on Abigail for help, and soon Abigail and Jackaby are on the hunt for a thief, a monster, and a murderer. Beastly Bones, the second installment in the series, delivers the same quirky humor and unforgettable characters as Jackaby, the book the Chicago Tribune called "Sherlock Holmes crossed with Buffy the Vampire Slayer." A 2016 YALSA Best Fiction for Young Adults Title

The fate of the world is in the hands of detective of the supernatural R. F. Jackaby and his intrepid assistant, Abigail Rook. An evil king is turning ancient tensions into modern strife, using a blend of magic and technology to push the earth and the otherworld into a mortal competition. Jackaby and Abigail are caught in the middle as they continue to solve daily mysteries in New Fiddleham, New England—like who's created the rend between the worlds, how to close it, and why the undead are appearing around town. At the same time, the romance between Abigail and the shape-shifting police detective Charlie Cane deepens, and Jackaby's resistance to his feelings for the ghostly lady of 926 Augur Lane, Jenny Cavanaugh, begins to give way. But before the four can think about their own futures, they will have to defeat an evil that wants to destroy the future altogether. The epic conclusion to the New York Times bestselling Jackaby series features wry humor and a cast of unforgettable characters facing off against their most dangerous, bone-chilling foe ever.

POSSESSION. Jenny wanted to attempt possession, and in my foolish eagerness I agreed. The office faded into a blinding haze of whiteness, and together Jenny and I tumbled into a world of mist and cold and pain . . . . . and out the other side. Jenny Cavanaugh, the ghostly lady of 926 Augur Lane, has enlisted the services of her detective-agency tenants to solve a decade-old murder—her own. Abigail Rook and her eccentric employer, R. F. Jackaby, dive into the cold case, starting with a search for Jenny's fiancé, who went missing the night she died. But when a new, gruesome murder closely mirrors the events of ten years prior, Abigail and Jackaby realize that Jenny's case isn't so cold after all. Soon Abigail's race to unravel the mystery leads her down to the mythical underworld and deep into her colleagues' grim histories to battle the most deadly foe she has ever faced.

"Funny, exciting, and ultimately epic. Wow, I can't wait for the next one." —Adam Gidwitz, author of the New York Times bestseller A Tale Dark and Grimm "Set in a magical world filled with incredible creatures from folklore, this fast-paced fantasy will keep readers turning the pages . . . A captivating series opener." —Booklist, starred review Magic is fading from the Wild Wood. To renew it, goblins must perform an ancient ritual involving the rarest of their kind—a newborn changeling. But when the night arrives to trade a human baby for a goblin one, something goes terribly wrong. After laying the changeling in a human infant's crib, the goblin Kull is briefly distracted. By the time he turns back, the changeling has already perfectly mimicked the human child. Too perfectly: Kull cannot tell them apart, so he leaves both babies behind. Tinn and Cole are raised as human twins, neither knowing what secrets may be buried deep inside one of them. When they are thirteen years old, a mysterious message arrives, calling the brothers to be heroes and protectors of magic. The boys must leave their sleepy town and risk their lives in the Wild Wood, journeying through the Deep Dark to reach the goblin horde and uncover who they truly are. In this first book in a new fantasy-adventure series, the New York Times bestselling author of Jackaby takes readers on a journey of monsters, magic, and discovery.

Perfect for fans of Jackaby who are desperately awaiting the release of its sequel, Beastly Bones, this novella-length story follows the rollicking events of Abigail Rook's birthday celebration. Abigail hopes that her birthday will slip by unnoticed and uncelebrated, but her employer, detective of the supernatural R. F. Jackaby, has other plans. Using magical party crackers that teleport the pair to unknown destinations in time and space and a cryptic map that may lead to a forgotten treasure, Jackaby intends to give Abigail what he considers to be the best gift of all—adventure. Abigail and Jackaby must tame an enormous (and carnivorous) rabbit, defend a castle, and master a dirigible if they want to find the treasure and get back to New Fiddleham alive.

Human-raised brothers Tinn and Cole join forces with Fable, daughter of the Queen of the Deep Dark, to stop the fighting between the people of Endsborough and the creatures of the Wild Wood before violence turns into all-out war. Human and goblin brothers Cole and Tinn are finding their way back to normal after their journey to the heart of the Oddmire. Normal, unfortunately, wants nothing to do with them. Fable, the daughter of the Queen of the Deep Dark, has her first true friends in the brothers. The Queen allows Fable to visit Tinn and Cole as long as she promises to stay quiet and out of sight—concealing herself and her magic from the townspeople of Endsborough. But when the trio discovers that humans are destroying the Wild Wood and the lives of its creatures for their own dark purposes, Fable cannot stay quiet. As the unspoken truce between the people of Endsborough and the inhabitants of the Wild Wood crumbles, violence escalates, threatening war and bringing Fable's mother closer to the fulfillment of a deadly prophecy that could leave Fable a most Unready Queen. In this second book in the Oddmire series, the New York Times bestselling author of Jackaby takes readers on an adventure full of monsters, mayhem, and magic.

Special Free Preview! "Miss Rook, I am not an occultist," Jackaby said. "I have a gift that allows me to see truth where others see the illusion—and there are many illusions.
