The game under the tree looked like a hundred others Peters and Judy had at home. But they were bored and restless and, looking for something interesting to do, thought they'd give Jumanji a try. Little did they know when they unfolded its ordinary-looking playing board that they were about to be plunged into the most exciting and bizare adventure of their lives. In his second book for children, Chris Van Allsburg again explores the ever-shifting line between fantasy and reality with this story about a game that comes startlingly to life. His marvelous drawings beautifully convey a mix of the everyday and the extraordinary, as a quiet house is taken over by an exotic jungle.

Barbara La Marr's (1896–1926) publicist once confessed: "There was no reason to lie about Barbara La Marr. Everything she said, everything she did was colored with news-value." When La Marr was sixteen, her older half-sister and a male companion reportedly kidnapped her, causing a sensation in the media. One year later, her behavior in Los Angeles nightclubs caused law enforcement to declare her "too beautiful" to be on her own in the city, and she was ordered to leave. When La Marr returned to Hollywood years later, her loveliness and raw talent caught the attention of producers and catapulted her to movie stardom. In the first full-length biography of the woman known as the "girl who was too beautiful," Sherri Snyder presents a complete portrait of one of the silent era's most infamous screen sirens. In five short years, La Marr appeared in twenty-six films, including The Prisoner of Zenda (1922), Trifling Women (1922), The Eternal City (1923), The Shooting of Dan McGrew (1924), and Thy Name Is Woman (1924). Yet by 1925 -- finding herself beset by numerous scandals, several failed marriages, a hidden pregnancy, and personal prejudice based on her onscreen persona -- she fell out of public favor. When she was diagnosed with a fatal lung condition, she continued to work, undeterred, until she collapsed on set. She died at the age of twenty-nine. Few stars have burned as brightly and as briefly as Barbara La Marr, and her extraordinary life story is one of tempestuous passions as well as perseverance in the face of adversity. Drawing on never-before-released diary entries, correspondence, and creative works, Snyder's biography offers a valuable perspective on her contributions to silent-era Hollywood and the cinematic arts.

Left on their own for an evening, two boisterous brothers find more excitement than they bargained for in a mysterious and mystical space adventure board game.

It's the most advanced computer role-playing game ever: When you play you're really there—in a dark dream teeming with evil creatures, danger-filled fortresses, and malevolent sorceries. The game plugs directly into your brain—no keyboard, no modem, no monitor. And for game hacker Arvin Rizzalli and his friends, no cash up front, no questions asked . . . and no hope of rescue when the game goes horribly, deathly wrong.

For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to "The Hillary Beat" ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became – both personally and professionally – intrinsically intertwined to Clinton's presidential ambitions. Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her glibotterting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But Chasing Hillary is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president tooms over Chozick's life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, Chasing Hillary is a campaign book like never before that reads like a fast-moving political novel.	<span></span>

The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.
