This is the second book in the Wolves of Mercy Falls trilogy (the first being Shiver and the last Forever). I loved the first and couldn't wait to read this and it pretty much met my expectations. Shiver told the story of how Grace and Sam fell in love, and this continues that story on showing their relationship. Unlike the first book, however, this is less intimate introducing a wider cast and taking the focus wider.

Linger was a great sequel because it was different, but also very much a continuation of the story. I highly recommend Linger, the Wolves of Mercy Falls trilogy so far, and continuing the series after Shiver. Maggie Stiefvater has a magical way of writing. I wouldn't say Linger was sad and, in many ways, the tone is much brighter than Shiver.
