Mastering

different contexts.

In this book, we offer a

comprehensive list of the 3.000 most frequent words of the Spanish

language, according to the Real Academia Española, Spain's official royal institution dedicated to the

Read Book

Mastering

Spanish language.

We did not just include the words and their

meanings, but also eventual

indications for you to understand the use of the word since translations are otherwise

incomplete. For example, we indicate if it's a

Read Book

Mastering

masculine or feminine word, if it's a plural word and if it belongs to a verbal tense that does not translate literally into English.

Additionally, we indicate if the word has more than one meaning so you can avoid confusion. And, of

Read Book

Mastering

course, for each word we include a practical example, a sentence that in a few words tells a story and helps you understand how the word is used in the real Spanish-speaking world. By the time you're finished with this book, your vocabulary will be
