Beast Academy is published by the Art of Problem Solving® team, which has developed resources for outstanding math students since 1993. By teaching students how to solve the kinds of problems they haven't seen before, our materials have helped enthusiastic math students prepare for and win the world's hardest math competitions, then go on to succeed at the most prestigious colleges ...

Beast Academy | Advanced Math Curriculum for Elementary School

No doubt after finishing Math Olympiad Contest Problems, Volume 2, you will be going straight for Math Olympiad Contest Problems: Volume 3. I've worked every problem contained in these two books, and I am somewhat pleased with this edition. Some problems are simply repeated from the past 2 books, just reworded a bit differently or with different numbers. Very few are extremely unclear that I absolutely had idea what the author is asking for.
