This fully illustrated Annual celebrates the limitless possibilities of Minecraft.Packed with step-by-step instructions for exciting builds and projects, games to test your skills, and codes to unravel, it's everything Minecraft fans have been waiting for!

Just a few years ago, Markus Persson was a bored IT-developer in Stockholm. In the evenings, he toiled away on a labour of love: a game with a tiny but dedicated online following. It was called Minecraft and Markus released it to the world in early 2009. The game itself looks deceptively simple. It resembles a digital version of Lego àe" bricks stacked on top of each other, giving players a world where they build whatever structures their mind can conjure. A breath of fresh air compared to the industry giantsàe(tm) shooter games. In the space of a few years, Minecraft has become one of the most astonishing success stories of the internet age, attracting millions of players and proving how a single great idea can topple empires in the digital, post-industrial world. This is the story of the man behind the game. Here Markus opens up for the first time about his life. About his old Lego-filled desk at school, the first computer his father brought home one day and also about growing up in a family marked by drug abuse and conflict. But above all it is the story of the fine line between seeming misfit and creative madman, and the birth of a tech visionary.

The Delos Initiative focuses on the sacred natural sites in developed countries throughout the world (such as Australia, Canada, the European countries, Japan, New Zealand and the United States of America). Its main purpose is to help in maintaining both the sanctity and the biodiversity of these sites, through the understanding of the complex relationship between spiritual/cultural and natural values.

Indulge in the perfect winter's day treat and escape to the snow-fringed fjords of Norway with *The Christmas Lights*, a delicious tale full of drama and mystery, heartache and hope by Sunday Times bestseller Karen Swan. Bo lives a life most people can only dream of. She and her boyfriend Zac are paid to travel the globe, sharing their adventures with their online followers. And when Zac proposes, Bo's happiness is complete. With Christmas coming up, Bo can't wait to head to the snow-fringed fjords of Norway. Arriving at the picturesque and remote hillside farmhouse that will be their home for the next few weeks, Bo's determined to enjoy a romantic Christmas under the Northern Lights. Everything should be perfect But the mountains hold secrets from the past and as temperatures plunge and tensions rise, Bo must face up to the fact that a life which looks perfect to the outside world may not be the life she should be living... What readers are saying: 'This is a perfect winter's day read, that will have you utterly absorbed...' 'Full of intrigue, secrets, heartbreak, love' 'If you're after a book with a truly Christmas feel, full of drama, mystery, heart and hope then *The Christmas Lights* is a book for you' 'Crammed with love, heartbreak and powerful secrets this Christmas story with substance is not to be missed!' 'The Christmas Lights is the perfect Christmas read . . . The festive season can now commence!'

In 1862 Charles Lutwidge Dodgson, a shy Oxford mathematician with a stammer, created a story about a little girl tumbling down a rabbit hole. Thus began the immortal adventures of Alice, perhaps the most popular heroine in English literature. Matte Cover 8.5x11' Can be used as a coloring book

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Fans can discover the beginnings of one of "Jurassic World's" most beloved characters--Claire Dearing (played by Bryce Dallas Howard)--in this original action-packed novel that fills in the gaps of Claire's past.
