It all began with a notebook. Distinguishing marks: a hard black cover with rounded corners and an elastic closure. On the first page an "in case of loss" notice with space to jot down a reward for the finder. Attached to the back cover an expandable pocket for loose papers and notes. Today, the story of the iconic Moleskine notebook collection has expanded to include a whole variety of sizes and colors, textures and layouts, and even flexible covers.

Unleash Your Secret Weapon for Restoring Trust: Open, Honest Communications! Most PR books tell you how to "spin" your message. People are sick of that! Spin Sucks will teach you how to communicate honestly, responsibly, openly, and authentically...and truly earn the trust of your customers, stakeholders, investors, and communities. Top PR thought leader and blogger Gini Dietrich runs the number one PR blog in the world, spinsucks.com, where she shares cutting-edge tips and tools for effective, ethical communications. Now, she's integrated all she's learned into a complete, actionable guide for every business leader who understands there are new rules to communications, but don't know what to do. No matter what your organization does, Dietrich will help you: Share your story more powerfully--without sex, extortion, or "truth-stretching" Humanize your organization, even if you don't have outsized personalities Tell the truth, using the best techniques honed by centuries of storytellers Overcome whisper campaigns, anonymous attackers, and trolls Create fresh, honest content that's compelling to both humans and Google Systematically prepare yourself to engage more successfully online Clarify and close gaps between your message and your customer's perception Celebrate your brand ambassadors Master seven steps for handling online criticism, and transforming critics into fans Keep others from stealing your great content Learn actionable lessons from others' successes (and failures) Develop more positive, productive agency (or client) relationships Converge paid, owned, earned, and shared media--and get more value from all of them spinsucks.com

The system combines elements of a wishlist, a to-do list, and a diary. It makes it easy to get thoughts out of your head and onto paper, to see them clearly and decide what to do about them

The third title in the I Am City series stops in New York! Cities have always been important protagonists in our history, but now, more than ever, they are taking the leading role in our developing culture. In the series I am the City , the most prominent conurbations in the world are given a chance to reassert their unique personalities and individuality, showing us, via a pictorial tour and compelling anecdotes, the things that mark them out in the face of the encroaching tide of homogeneity. The third title of the I Am the City series alights in New York. Stunning colour illustrations by Carlo Stanga lead the reader into a virtual tour of the city that narrates and reveals landmarks, tales, lifestyle, architecture as well as secrets. From the Chrysler building to the bagel, this is a unique, fully comprehensive illustrated journey of the Big Apple.

In our complex media landscape, print and digital interact in ever-more surprising ways; as such, the art of creating robust, flexible, and beautiful layouts for print is more essential than ever. Design with Words is a comprehensive manual for active and aspiring print designers, editors, and bookmakers, aimed at bolstering design practice with historical insights, tips, techniques, and type fundamentals. Beginning with an analysis of the early technologies that gave rise to mass-produced communications and moving through theoretical approaches to publication, Design with Words provides both the context for and a practical education in contemporary print design. From conceptualization through layout, production, and distribution, this do-it-all companion provides a basis for tackling every stage of editorial design.

If there's a software startup company in your developer heart, this is the book that will make it happen. The Web Startup Success Guide is your one-stop shop for all of the answers you need today to build a successful web startup in these challenging economic times. It covers everything from making the strategic platform decisions as to what kind of software to build, to understanding and winning the Angel and venture capital funding game, to the modern tools, apps and services that can cut months off development and marketing cycles, to how startups today are using social networks like Twitter and Facebook to create real excitement and connect to real customers. Bob Walsh, author of the landmark Micro-ISV: From Vision to Reality, digs deep into the definition, financing, community – building, platform options, and productivity challenges of building a successful and profitable web application today.
