### **Principles of Financial Regulation by John Armour, Dan ...**

30 Sep 2016. Oxford University Press has recently published an important new work on the Principles of Financial Regulation . The regulation of the financial sector is a critical but controversial topic, particularly in the wake of the 2007-9 global financial crisis, which exposed limitations in the existing systems of regulation. The new text analyses the policies and objectives of financial regulation, drawing on the disciplines of law, economics and finance.
