Weiten's PSYCHOLOGY: THEMES AND VARIATIONS, Ninth Edition, maintains this book's strengths while addressing market changes with new learning objectives, a complete updating, and a fresh new design. The text continues to provide a unique survey of psychology that meets three goals: to demonstrate the unity and diversity of psychology's subject matter, to illuminate the research process and its link to application, and to make the material challenging and thought-provoking yet easy to learn. Weiten accomplishes the successful balance of scientific rigor and a student-friendly approach through the integration of seven unifying themes, an unparalleled didactic art program, real-life examples, and a streamlined set of learning aids that help students see beyond research to big-picture concepts. Major topics typically covered in today's courses are included, such as evolutionary psychology, neuropsychology, biological psychology, positive psychology, applied psychology, careers, and multiculturalism and diversity. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

PSYCHOLOGY: THEMES AND VARIATIONS, 10th Edition, helps you experience the excitement of this fascinating field, while helping you study and retain what you learn. Filled with practical ways that you can apply psychology to your everyday life, this best-selling textbook is an experience in learning that you'll remember long after you complete your introductory psychology course. Critical Thinking Applications in every chapter give you specific critical thinking strategies you can apply in all of your courses and in your personal life. Reality Checks, many of which may surprise you, address common misconceptions about psychology. Every chapter of this book offers tools -- such as Concept Charts that provide colorful visual snapshots of key points -- to help you focus on what's important, showing you how to study in ways that help you retain information and do your best on exams.

PSYCHOLOGY: THEMES AND VARIATIONS, BRIEFER EDITION, 9TH EDITION helps you experience the excitement of this fascinating field, while helping you study and retain what you learn! The Third Edition of Our Social World: Introduction to Sociology is truly a coherent textbook that inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. Key Features: * Offers a strong global focus: A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world. * Illustrates the practical side of sociology: Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence. * Encourages critical thinking: Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology. * Presents "The Social World Model" in each chapter: This visually-compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts. New to the Third Edition: * Thirty new boxed features, including the innovative 'Engaging Sociology' and 'Applied Sociologists at Work' features * Three substantially reorganised chapters (2. Examining the Social World, 3. Society and Culture, and 13. Politics and Economics) * 315 entirely new references and 120 new photos.

Ghost stories tap into our most primal emotions as they encourage us to confront the timeless question: What comes after death? Here, in tales that are by turn scary, funny, philosophic, and touching, you'll find that question sharpened, split, reconsidered—and met with a multitude of answers. A spirit who is

fated to spend eternity reliving the exact moment she lost her chance at love, ghostly trees that haunt the occupant of a wooden house, specters that snatch anyone who steps into the shadows, and parakeets that serve as mouthpieces for the dead: these are just a few of the characters in this extraordinary compendium of one hundred ghost stories. Kevin Brockmeier's fiction has always explored the space between the fantastical and the everyday with profundity and poignancy. As in his previous books, *The Ghost Variations* discovers new ways of looking at who we are and what matters to us, exploring how mysterious, sad, strange, and comical it is to be alive—or, as it happens, not to be.
