Remembering After Coronavirus. Baltimore, MD. Shortly after the 2001 terrorist attacks, Wendell Berry wrote, "The time will soon come when we will not be able to remember the horrors of September 11 without remembering also the unquestioning technological and economic optimism that ended on that day.". This, I fear, was one of the rare times Mr. Berry missed the mark.

Remembering, Wendell Berry

A cottage industry of Wendell Berry quotations seems to have sprung up in the past few years. I see them everywhere, on office walls, in yoga studios, in church basements. And the strange thing is that Berry's conclusions—often quite quotable—are often more persuasive than the means he uses to reach them.
