more laughs, more adventures, and more silliness to Battle of the Bodkins, book two in the Max & the Midnights series.

From the critically acclaimed author of *Deposing Nathan* comes an explosive examination of identity, voice, and the indelible ways our stories are rewritten by others. In the beginning, Owen's story was blank . . . then he was befriended by Lily, the aspiring author who helped him find his voice. Together, the two have spent years navigating first love and amassing an inseparable friend group. But all of it is upended one day when his school's administration learns Owen's secret: that he was sexually assaulted by a classmate.

In the ensuing investigation, everyone scrambles to hold their worlds together. Owen, still wrestling with his self-destructive thoughts and choices. His father, a mission-driven military vet ready to start a war to find his son's attacker. The school bureaucrats, who seem most concerned with kowtowing to the local media attention. And Lily, who can't learn that Owen is the mystery victim everyone is talking about . . . because once she does, it will set off a chain of events that will change their lives forever. Heartbreaking and hopeful, this is a coming-of-age story that explores how we rebuild after the world comes crumbling down.

of their lives and told through four-color cartoons, family photos, and documents, and a narrative as rife with laughs as it is with tears, Chast's memoir is both comfort and comic relief for anyone experiencing the life-altering loss of elderly parents. When it came to her elderly mother and father, Roz held to the practices of denial, avoidance, and distraction. But when Elizabeth Chast climbed a ladder to locate an old souvenir from the "crazy closet"-with predictable results-the tools that had served Roz well through her parents' seventies, eighties, and into their early nineties could no longer be deployed. While the particulars are Chast-ian in their idiosyncrasies-an anxious father who had relied heavily on his wife for

An amazing portrait of two lives at their end and an only child coping as best she can, *Can't We Talk about Something More Pleasant* will show the full range of Roz Chast's talent as cartoonist and storyteller.
