What goes up must come down, and when we last saw Alex Rider, he was as up as can be—in outer space. When he crash lands off the coast of Australia, the Australian Secret Service recruits him to infiltrate one of the ruthless gangs operating across South East Asia. Known as snakeheads, the gangs smuggle drugs, weapons, and worst of all, people. Alex accepts the assignment, in part for the chance to work with his godfather and learn more about his parents. What he uncovers, however, is a secret that will make this his darkest and most dangerous mission yet . . . and that his old nemesis, Scorpia, is anything but out of his life. From the slums of Bangkok to the Australian Outback to the middle of the Timor Sea, Snakehead is Alex Rider's most action-packed adventure yet. Watch a QuickTime trailer for this book.

Dans ce septième volet des aventures du jeune espion Alex Rider, le héros se retrouve en Australie après son périple dans l'espace (voir : Arkange). Il est alors confronté à un réseau d'immigration illégale, et en particulier au gang chinois Snakehead tenu d'une main de fer par le terrible Major Winston Yu. Le service d'espionnage australien dépêche alors Alex Rider à Bangkok, pour enquêter sur ce redoutable gangster. Ces nouvelles péripéties mettront sur le chemin de notre jeune héros un personnage énigmatique, qui semble en savoir long sur la mort des parents d'Alex, qui demeure un mystère insoluble... ou prétendu tel !

Alex Rider does battle with a charity broker con artist who has invested millions of dollars in a form of genetically modified corn that can release an airborne strain of virus capable of knocking out an entire country in one day.

“A page–turner in the spirit of Alex Ride and Co.”—Kirkus Only one secret agent can defeat the world’s most ruthless criminal organization. He was surrounded. Jason’s body worked automatically, his mind blank. He was fighting to breathe, forcing himself not to give up. But he was trapped. Standing on one leg and kicking out to keep the men back, he fumbled for the door handle to his left. He ran inside and leaped onto the narrow window ledge. He was nearly a hundred feet up, but the Triad thugs were closing fast. Jason jumped— Martial arts expert and undercover agent Jason Steed is on the run, hunted by a crew of vicious criminals. To survive, he must rely on his training-to be faster, smarter, tougher. Jason will do whatever it takes to defeat the Triads. But when his own government turns against him, does he have more enemies than he can handle?
