This is part of a science course for all abilities at Key Stage 3, designed to provide full and balanced coverage of the knowledge, skills and processes required by the National Curriculum Programme of Study. Three pupils' books (for Years 7, 8 and 9) are supported by corresponding teacher's guides.

Topic outlines show parts of the PoS to be covered, the relationship of the topic to aspects of KS2 and KS4 and warn of equipment that may need special preparation time in advance. Topic maps are provided for pupils. Lesson notes relating to each double page spread in the pupils' book offer objectives, ideas for each lesson, detailed references to the PoS, level descriptions, safety points with references to CLEAPPS HAZCARDS, ICT support, cross-curricular links and equipment lists. Answers to all questions in the pupils' book are also provided. Additional support material provide: homework sheets, help and extension sheets to optimize differentiation (Sc1), Sc1 skill sheets, thinking about... activities to improve integration of CASE activities with Spotlight Science, revision quizzes and checklists are included. Extra help sheets for each topic extend the range of support for Sc1 and Sc2-4. Challenge sheets for each topic provide a variety of enrichment activities for more able students. They consist of a variety of challenging activities which should present pupils with opportunities to develop problem-solving, thinking, presentational and interpersonal skills.

The Framework Edition Assessment Resource Banks provide End-of-Topic tests to help you with evidence for your assessment of Sc2-4, and help you arrive at a level for your teacher assessment.

This Spotlight Science Spiral Edition student book is open and accessible to students of all abilities with a clear, imaginative and colourful presentation to enhance learning and motivation. This will assist you in providing a full and balanced coverage of the revised National Curriculum. Topic spirals within and throughout each year ensure students are better prepared for the end of Key Stage 3 Science Tests.

This Framework Edition Teacher Support Pack offers comprehensive support and guidance, providing the best possible learning experience for your students and saving time for everyone in the department.

TheseThis resource has a full marking scheme, with an indication of thresholds to help you arrive at a particular level for each test. In addition to the basic tests there is a resource of extra Time National Curriculum science test-style questions for each topic of the course. questions are differentiated (at two levels) and suitable for all pupils in addition to the basic test. Also available are SEN tests for less able pupils. These tests are simplified both in the amount of reading and writing required of students. They become progressively more difficult - up to Level 3 (in Year 7) and up to Level 5 (in Year 9). Marking schemes are provided.

Each double-page spread provides a complete teaching unit of about one hour; The illustrations are in full colour and are always shown close to the relevant text; The reading age of the sentences and the number of words on a page have been carefully controlled; The sentence structure is simple, accessible and friendly, with clear personalised questions; The pages are carefully designed to show the pupils a very clear route through each spread; Every page has a 'Things to do' section of questions. These are useful for homework, or as extra work for faster students, or for work during staff absence; For more information visit the website at www.spotlightscience.co.uk

The Framework Edition Assessment Resource Banks provide End-of-Topic tests for each topic. These can help to provide you with evidence for your assessment of Sc2-4, and help you arrive at a Level for your teacher assessment.
