Stephen King ...

Inspiration "1922" was inspired by a nonfiction book called Wisconsin Death Trip (1973), written by Michael Lesy and featuring photographs taken in the small city of Black River Falls, Wisconsin. I was impressed by the rural isolation of these photographs, and the harshness and deprivation in the faces of many of the subjects.

Stephen King | 1922

1922 is an exceptional novella written by Stephen King, and originally included in the collection Full Dark, No Stars. It is the first of his recent books I read, and though the writing in itself feels more condensed than those I read more recently of him (Tommyknockers, Dark Half, Needful Things), it is still pure Stephen King in bone and flesh. I enjoyed this immensely, and sincerely believe as well that I'm gonna appreciate rats even less than what I did before I read this.
