"A fountain of youth between two covers."—Boston Herald Gray hair, wrinkles, papery skin, forgetfulness, extra weight around the belly. We all think we know what causes these signs of aging. But what if we've been wrong? In *Stress Less* (for Women), health and science journalist Thea Singer synthesizes groundbreaking scientific findings from around the world to reveal the true culprit: chronic stress. From the symptoms we see and feel down to the erosion of our DNA, chronic stress literally speeds up our biological clocks. But there is something we can do. This landmark book teaches women not only how to recognize their own triggers—from sleep deprivation and pessimism to over-exercising and dieting—but also offers easy fixes that reverse the damage and stop stress in its tracks.

As a former Buddhist monk with over 10 years of teaching experience, Andy Puddicombe has been acknowledged as the UK's foremost mindfulness meditation expert. Like his readers and students, he began his own meditation practice as a normal, busy person with everyday concerns, and he has since designed a program of mindfulness and guided meditation that fits neatly into a jam-packed daily routine—proving that just 10 minutes a day can make a world of difference. Simple exercises, stories and techniques culled from Andy's years of experience will help anyone calm the chatter in their minds. The result? More headspace, less stress. *Get Some Headspace* also brings us the extraordinary science behind this seemingly simple cure-all. This book and practice will help readers positively impact every area of their physical and mental health through mindfulness, from productivity and focus, to stress and anxiety relief, sleep, weight-loss, personal relationships...and the list goes on and on.

Achieve more with this fifteen-minute meditation programme. In *Stress Less, Accomplish More* Emily Fletcher shares an ancient meditation technique designed for busy lives. The focus of the practice is stress relief, mental clarity and improved productivity, so it's perfect for the fast pace of modern life. This style of meditation was developed specifically for people with a lot of demands on their time – those with busy jobs, lives and families – and so it has been designed to work anywhere, anytime. All you need is somewhere to sit, a little training and a few minutes to yourself. Throughout the book, Emily explains what meditation is, how you do it and the many exciting ways that it can change your life. *Stress Less, Accomplish More* destigmatises meditation for the average person, making it attractive, understandable and easy to implement for all. This book has a very simple message: do less – without the stress – and accomplish more. Emily Fletcher is a leading expert in meditation for high performance and has taught meditation to executives at global corporations like Google, Barclays and Viacom as well as busy parents, NBA players, Oscar winners, entrepreneurs and everyone in between.
