how to better relate to their peers Using the methods outlined in the book, parents and teachers can support activities that lead to a lifetime of social success and likeability that are crucial for every child's emotional stability.

Everyone values honest communication, yet few people possess the requisite skills in both their personal and professional lives. Susan Campbell provides simple yet practical awareness practices — culled from her thirty-five-year career as a relationship coach and corporate teamwork consultant — that require individuals to ?let go? of the need to be right, safe, and certain. Such questions as ?In what areas of my life do I feel the need to lie, sugarcoat, or
