1000 times better than Sony have managed. Makes me laugh as Sony have produced what can only be described as a stunning camera but sadly let themselves down with a pathetic multi language useless so called instruction manual. This book is becoming my Alpha bible, Sony should reprint this book and issue it with the 77mkii its that good.

The A77 II may look like the original Alpha 77, but inside it's a completely new design, sensor, and data path. There are a slew of new focusing modes, Wi-Fi and NFC functionality, and nuanced feature interactions which the manufacturer's manual just doesn't cover. What to do? Written for the advanced user (with tutorials and easy explanations in case you're not so advanced), this easy-to-understand yet thorough guide provides a complete instruction manual which explains each feature in plain English and provides hundreds of visual examples as well. There is no better way to learn about and get the most out of what is the most responsive camera that Sony has ever designed. Get the most out of your investment, and improve your photography at the same time! More info, page samples, and instantly-downloadable versions also available at the author's website.

This is the most thorough and comprehensive book on the Sony Alpha 7 and Alpha 7r available. At over 600 pages, professional photographer Gary L. Friedman has explained every function and nuance of every feature, plus gives solid recommendations on customizing your camera and explains unobvious combinations of obscure features can help you work quite quickly in the field! Yes, it's a little more expensive (downloadable versions are available for much less on the author's website) but since you already own one of the best cameras out there, why hold back on the key to unlocking its features? \* My personal camera settings (with explanations) \* A complete guide to the most popular Legacy Glass Adapters and how to configure your camera to use them \* A clear explanation of the alphabet soup that are video formats \* Guide to using NFC & Wi-Fi \* A set of "Cliffs Notes" cards
