There May Be A Castle is written by the amazing author Piers Torday (The Last Wild and The Dark Wild). The book is about a 10-year-old boy called Mouse, who is trying to battle The Pink Knight (a game on his iPad). On Christmas eve, his sisters a locked in a car. Will anyone bother? Will Mouse come back?

There May Be a Castle: Amazon.co.uk: Torday, Piers: Books

There May Be A Castle is a story of love, family, devotion, and imagination, that while is short and simple, is also bittersweet. As this is aimed at children, Torday does a fantastic job at explaining death and fear in an imaginative way.

There May Be a Castle by Piers Torday - Goodreads

A fantastical and surprising allegory, There May Be A Castle is unlike any other book for children dealing with the subjects of death, family and the power to shape your own stories. Heart-warming, heart-wrenching and, at times, quite bizarre, this is another fantastical tale from Piers Torday and not one to miss * Carousel *

There May Be a Castle by Piers Torday | Waterstones

There May Be A Castle. Eleven-year-old Mouse is travelling to see his grandparents on Christmas Eve with his mother and two sisters. But it's snowing, and visibility is bad, and the car goes off the road, and crashes. Mouse is thrown from the car. When he wakes, he's not in his world any more.

There May Be A Castle | Piers Torday

There May be a Castle. 11-year-old Mouse is more of a thinker than a talker, whose dreamy personality drives his mum and big sister Violet to distraction. When the family car crashes one very snowy Christmas Eve on the way to visit their grandparents, Mouse seems to be transported into a fantasy world of magical animals, dangerous knights and strange wizards - all of which bear a striking resemblance to his toys and people he knows in the real world.
