Unleash Your Inner Company distills John Chisholm's four decades of successful entrepreneurship in Silicon Valley into ten steps to discover, launch, and scale the ideal business for you. You will learn how to:

- Mobilize your passions and perseverance to reinforce each other and achieve your goals
- Discover unsatisfied human and customer needs in those areas where you have natural advantages
- Match those needs with your resources and strengths (your "STARS") to assess which needs fit you best
- Improve those fits by acquiring and developing the right resources and strengths; differentiate yourself by being not better, but different, from competitors, even well-established ones
- Innovate by combining things you already know in novel ways
- Partner with firms and individuals so you and your business can focus on what you do best
- Evaluate your options and choose the best one for you
- Launch and scale up your successful business, uniquely tailored to you and your strengths. Along the way, you will discover:
- That you have many more resources and advantages for success than you realize
- How and when to choose a co-founder and team members
- How to avoid competitors, and thus gain time and space to get established
- How to find, nurture, and ride positive feedback loops within yourself, with your team members, and among your customers
- How to build and maintain your self-confidence despite setbacks
- If, when, and how to raise money
- How to evolve and scale your business, no matter how modest, into a large enterprise, if you so desire
- When to comply with, or circumvent, or oppose regulations that impede the formation or growth of your business
- What you can learn from Apple, Google, Facebook, and Uber. You will learn from the author's mistakes—as many as he was able to squeeze into the 400 pages of this book—so you don't make the same ones. Regardless of your background, location, interests, and passions, the timeless and universal insights, principles, anecdotes, and exercises of Unleash Your Inner Company will inspire and guide you from your first steps, through every kind of obstacle, to the ultimate success of your venture.

How is it that some businesses manage to flourish and become financially successful, and yet many do not? How do they accomplish what seems to be magical success? It is a matter of viewing cash flow management with a bit of a different viewpoint, learning that the old tools, while useful for certain things, are not adequate by themselves, and not making the fatal mistakes that many business owners make in managing their company's money. What are the qualities that empower a business owner to manage cash flow so that they flourish financially? They are simple yet powerful actions that unleash the mojo (magical powers) of substantial, sustainable cash flow. In this book you will discover that unleashing the cash flow mojo is within the grasp of every business owner who cares to make use of it. By reading this book, you will have a better chance than others of unleashing the mojo and using it to good effect. This book is not a motivational tool. It is a guide to a new way of thinking about and handling money. It contains the steps of a system and explains how to avoid the fatal mistakes inherent in managing the cash flow in a business. It even goes so far as to guide you through reversing mistakes you have made with money in the past. The key is the sub-title: The Business Owner's Guide to Predicting, Planning and Controlling Your Company's Cash Flow. Most business owners work in reverse using accounting to look at where the money went (often, more than what came in), rather than PLANNING and CONTROLLING.

Global family business advisor and authority Reg Athwal delivers the ultimate how-to guide, drawing upon his extensive global expertise and international research. Athwal shares with you the basics relevant to all first-generation entrepreneurs who are thinking about their next generation, combined with insights for well-established family firms who need to understand the pitfalls and legacy blockages that prevent 97% of family businesses from lasting beyond the fourth generation. With Athwal's 26 years of combined experience in family business advisory, human capital management and entrepreneurship, he will ensure that you avoid the mistakes many family firms make, as he reveals his strategies, processes, systems and techniques to get it right and not leave it to random chance to build that 100-plus-year family business legacy. In this book, you'll learn: – About your "DNA profile" and how it impacts other family members, professional teams and your overall business – How to build family structures and create the right job roles aligned to multi-generational challenges and your succession planning needs – About the blockages that stop 97% of family businesses in creating a sustainable legacy – How to build a family vision and values charter – How to evaluate your human capital and build world-class dream teams with 90% accuracy, so your business assets continue to grow

Unleash Your Millionaire Mindset is a book filled with modern success principles and techniques for the professional and small-business owner, new and existing. The information spilling over from one page to the next, cover to cover, breaks the myths we've all been following on our journey to success and financial freedom. This book is your very own university of success. You have been provided with seven of the most capable and qualified business professors in the industry. In this program, you'll learn how to build a legacy that will last for generations to come. We'll alleviate the pain and the frustration for you. We'll un-complicate the most complicated and put you on the right track so that you can officially #BeUnleashed! Get ready to learn how to overcome rejections in business, correctly build a sustainable brand, access and implement the seven levels of revenue, build a profitable sales team, create a business that generates profits and not debt, dominate your industry and become an effective leader, and disrupt society's norms so you'll function and be MORE. Take a seat, pens up, and phones off. Prepare to meet your professors at the university of success.

This Book focuses on identifying your "WHAT" The one thing that will serve as the Catalyst to change in your life. It will help you to reflect on your life and assess your level of fulfillment and begin a change process. Ultimately it will help you to turn your dreams to realities. This book will teach you six steps that will develop you as an Entrepreneur, Five universal guided principles that are applicable in your walk to success and six universal lessons that are uncontrollable in any path or goal you choose to accomplish. You will recognize that the things you consider unconceivable are attainable and also understand that everyone can accomplish anything they put their mind to. The lessons shared in this book will PREPARE you to attack your dreams and goals. "There are no secrets to success. It is the result of preparation, hard work, and learning from failure." ~Collin Powell

This is a book that shows you how ordinary people with ordinary tools (talents and skills) built their talents from nothing to something great. This book looks at some of the basic facts of life, career, talents and skills. It attempts to answer some of the most difficult questions people ask about issues relating to talents and skills. Stephen begins by sharing his own story, and you will hear the stories of other people and how they tread the path to greatness and fulfillment. When you are truly reading this book you will become better equipped to live life effectively.

Boost creativity and beat burnout with this go-to guide for creative entrepreneurs! Longevity is crucial for entrepreneurial success, and burnout is very real. Having a vision is the first step, but how do you follow it through to execution? How do you bring your dream to life while sustaining your creativity, enhancing productivity, and balancing your well-being? Creative entrepreneur Nova Lorraine discovered the keys to overcome burnout and bridge the gap between creativity and entrepreneurship—and wrote this book to help others do the same. From her first paper route, to launching a fashion brand, to now running a multimedia company, Nova has been on the road of entrepreneurship her whole life. In this go-to guide for creative entrepreneurs, she offers action steps to help you identify your inner strength, your supernova, and unleash it to achieve your dreams. Topics include: Identifying your creative DNA Five lessons a paper route can teach you Overcoming the challenges of entrepreneurship How to stay inspired as a creative entrepreneur And so much more! Whether you are thinking of pivoting to entrepreneurship or are already on the journey, this book is for you.

Make Your Business Idea Come True. Imagine if you had the ability to know precisely what your customers want, and built a business around it. What if you could minimise the risk of failure when starting something of your own? What if you could act on your idea today and build it into a revenue-generating business? Written by a cohort of successful startup founders, mentors, business strategists and intrapreneurs from around the world, this book answers the question: what is the secret to building products that customers really love and willingly pay for? In this book, you'll learn: –Why you should (or shouldn't) act on your idea NOW –How to develop the mindset of a fearless entrepreneur with a strong sense of purpose –How to make better decisions when outcomes are uncertain, using the DM Canvas and the mental time travel technique –Why you should not spend your time and resources in search of investor funding, but instead delay investments as much as possible –How to design and build products with high chances of success in the real world (instead of speculating and failing) –How the "Innovator's Canvas" can help you build a flexible and robust business model –How to tell your story to get the attention of your customers –How to create valuable IP, not just patents to show in your pitch deck –BONUS: Be remarkable and stand out from your competition –BONUS: How you can build a culture of fearless innovation Each idea is unique, but there is a universal process to innovate. Buy this book to test your idea, unleash the entrepreneurial spirit within you and make your idea happen!
