What I think you mean is that in English birth is passive. So whilst we would say I was born on a London bus, in French they would say Je suis né sur un autobus de Londres which is active in exactly the same way as saying Je suis allé au cinema, meaning I went to the cinema. I understand your point. - WS2 Sep 11 '15 at 23:01

He was the Jeane Dixon of the early 20th century, psychic advisor to world-famous names in politics, entertainment, and royalty. But he lied about his own name, calling himself-when not answering to "Cheiro"- "Count Louis Hamon" though he was of rather more humble origin. So it's your call: Can trust him to accurately assess your character based solely on the month of your birth? In this book, first published in 1912, he "reveals": . which birth month is known for producing people who are "excellent in diplomacy," who "dazzle their listeners by their wit and brilliancy" . which month sees the arrival of those "inclined to become wrapped up in themselves and their own ideas" . when "very lonely" people are born . which month produces "good literary critics" . and more. Irish occultist Cheiro-aka WILLIAM JOHN WARNER (1866-1936)-wrote a number of books, including *Palmistry for All* and *Cheiro's Guide to the Hand*. Among his famous followers were Mark Twain and Oscar Wilde.

What is your destiny? Why do you exist? Is there a reason, a purpose, for human life? These questions have baffled the greatest thinkers and philosophers down through the ages. Join Steven and his father as they take his newborn sister Rachel to the Land of Dragons. There they must receive the blessing of the King of Dragons so that they can raise her to be a dragon. But first they must get past Arnod, the Chief Security Dragon who doesn't like babies. This is a story of brotherly love for his new sister as he protects her on the long voyage and stands up to a dragon that likes to be a bully. It is just one of the stories the author told his daughter as she was growing up. She believed the stories as much as she believed in Santa Claus. We hope you will believe in them as well and in the power of love.

As he waits at home with his aunt for his baby sister to be born at the hospital, a young boy hears what his aunt did while waiting for him to be born.

"Were you born stupid?" is a phrase I often heard my father ask me as the eldest of his seven children. This is a memoir of what now seems an enchanted childhood, written through a boy's eyes, set in the 1950's through 70's, while growing up in Albuquerque, New Mexico, USA. It relates the trials and triumphs of a large Hispanic family, a life abundantly joyful, at times brutal. Father was often away at work and missed out on much of the interaction between my mother, brother and sisters. Mother, who never wanted any children in the first place, was stuck at home with this large brood. Sometimes she locked us out of the house the entire day (and commanded us "go play") for some peace and quiet, while she cleaned our home and polished the floors. Though we grew up poor, we came to appreciate the things we did have--a close family being the most important. It didn't require a lot of money. I hope to convey how rich, full, and blessed life has been for the familia Franco, something that could only happen in America

A beautiful and poignant celebration of the birth--and worth--of every child. Now in board book format!
