Marco Polo

Marco Polo was seventeen when he set out for China . . . and forty-one when he came back! More than seven hundred years ago, Marco Polo traveled from the medieval city of Venice to the fabled kingdom of the great Kublai Khan, seeing new sights and riches that no Westerner had ever before witnessed. But did Marco Polo experience the things he wrote about . . . or was it all made-up? Young readers are presented with the facts in this entertaining, highly readable Who Was . . . biography with black-and-white artwork by John O’Brien.

Marco Polo

Introduces young readers to the world traveler who wrote about his many experiences while journeying from the medieval city of Venice to the fabled kingdom of the great Kublai Khan.

A portrait of the thirteenth-century explorer, adventurer, and global traveler follows Marco Polo from his youth in Venice to his journey to Asia and role in the court of Kublai Khan, to his return to Europe, and discusses his influence on the history ofhis era.

Marco Polo

‘You will hear it for yourselves, and it will surely fill you with wonder...’ In this selection from Marco Polo’s famous travel book, the intrepid Venetian describes the customs of India, recounts the story of the king who died eighty-four times and explains how to retrieve diamonds from snake-infested caves... Introducing Little Black Classics: 80 books for Penguin’s 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Marco Polo (1254-1324). Polo’s Travels are available in Penguin Classics.

We all “ know ” that Marco Polo went to China, served Ghengis Khan for many years, and returned to Italy with the recipes for pasta and ice cream. But Frances Wood, head of the Chinese Department at the British Library, argues that Marco Polo not only never went to China, he probably never even made it past the Black Sea, where his family conducted business as merchants.Marco Polo’s travels from Venice to the exotic and distant East, and his epic book describing his extraordinary adventures, A Description of the World, ranks among the most famous and influential books ever published. In this fascinating piece of historical detection, marking the 700th anniversary of Polo’s journey, Frances Wood questions whether Marco Polo ever reached the country he so vividly described. Why, in his romantic and seemingly detailed account, is there no mention of such fundamentals of Chinese life as tea, foot-binding, or even the Great Wall? Did he really bring back pasta and ice cream to Italy? And why, given China’s extensive and even obsessive record-keeping, is there no mention of Marco Polo anywhere in the archives?Sure to spark controversy, Did Marco Polo Go to China? tries to solve these and other inconsistencies by carefully examining the Polo family history, Marco Polo’s activities as a merchant, the preparation of his book, and the imperial Chinese records. The result is a lucid and readable look at medieval European and Chinese history, and the characters and events that shaped this extraordinary and enduring myth.

Recounts the life of the great explorer who traveled more than thirty thousand miles by land and sea from Italy to China in the thirteenth century, and who was instrumental in opening up the East to Europeans.
