Matter doesn't exist. Dan Brown is better than Shakespeare. All these statements stem from philosophy's greatest minds, from Plato to Nietzsche.

You Kant Make It Up!: Strange Ideas From History's Great ...

You Kant Make It Up! is an amateur's guide to philosophy and its quirky ideas. I enjoyed certain chapters which portrayed philosophical ideas as both thought-provoking and entertaining. It also introduced me to the ideas and theories of older, famous thinkers (nothing on Derrida, Zizek or Foucault here).

And before that, a long black plastic duffel that was a promo for Ice-T's album "Cop Killers." I didn't make too many friends during those random subway searches, I'll tell you that much. My large sacks drew stares from the one employee in my office who I don't really get along with. "Wow! I don't even know how you carry that!" she would sneer.

The news just gets worse, but we won't get into further details here. You've been pin-cushioned enough. While all this seems dire, we have to remember that there is nothing new under the sun. We as a people have experienced difficulties such as this and at much greater levels. We will have to be wise in our approach to resolve our woes and ...
